

THE BUSY BEE IN ROOM 3

Hello and welcome to Room 3.

*Hi my name is Miss Heidi
and I am excited to be the
teacher of these students this
year :)*

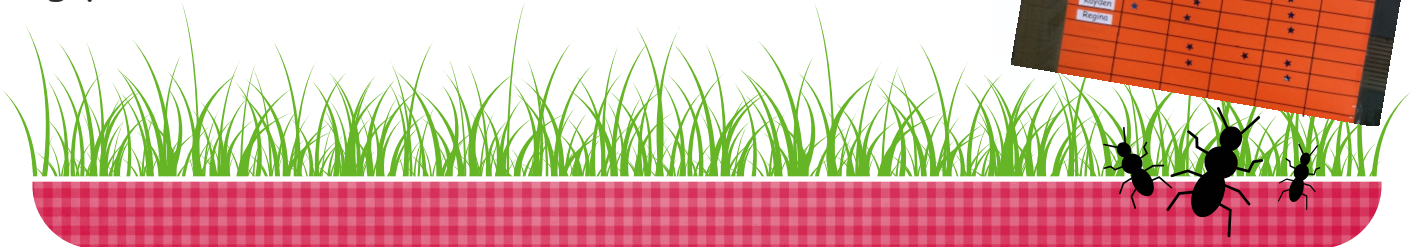

We are excited to be learning together this year. Helping our class get 100% attendance is one of our top goals. So please help in supporting your family members to come to school everyday!

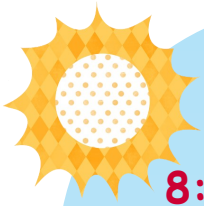

So far we have been busy bees with our swimming lessons, learning about 2D and 3D shapes in Maths and practicing our reading as much as possible throughout the day. Feel free to come in and join us for extra reading opportunities. Look forward to seeing you soon.
