

Wow what a term!

We are moving full steam ahead with our learning.

Planet Rhythm came to Carlton School

Our students learnt about different ways we can make rhythm with and without musical instruments. Everyone got to have a go...even the teachers 😊

Sight Words in Room 3

In Room 3 we have been working very hard on learning our sight words. We have been moving full steam ahead 😊 We practice by ourselves, with an adult and also test each other. We get excited when we move on to new sets. We know the more we practice, the better readers we will become 😊
