Welcome to Room 5. We are a 1/2/3 class!!

Hi I’m Miss Shauna

In weeks 2 and 3 Room 5 had lots of fun participating in swimming lessons. They learned how to be safe in the water as well as some new skills.

**REMINDER: If for some reason your child leaves the school grounds and returns home can you please contact the school as soon as possible!!**
This term in Literacy we will be focusing on the text ‘We’re going on a bear hunt’.

Our art experiences will also be revolved around this text. We have been focusing on a new page each week and so far we have made paper chain people and the long Swishy Swashy grass.

In our maths lessons we have been looking at subitising. Subitising is the process of immediately recognising how many items are in a small group.
